| 2. Sangam age had 7 famous philanthropists. . | True |
| 3. We should value people and animals. . | True |
| 4. Valvil Ori did not stop the unfair practices in the village. | False |

IV. Answer in short

1. Write about Sangam literature?

Sangam literature, consisting of several classical poetry is the main sources of the Sangam Age.

2. What did the Moovendhars do when they couldn't win battles against Pari?

- Moovendhars were not able to win the battles against Pari and his army individually. In the thick forests inside the hills, they were not able to defeat Pari's army.
- Instead, they made sure that Parambu Nadu could not get water or food from below the hill. They thought that Pari would surrender, after he ran out of food and water.

3. Why did Adhiyaman give the gooseberry to Avvaiyar?

Adhiyaman gave the gooseberry to Avvaiyar because there would not be many poets to teach people how to live life better like her.

4. What was Valvil Ori famous for?

Valvil Ori made sure that the unfair practice was not encouraged in their region. He treated all his people equally.
